Featured in Library Design Showcase

The Oregon Public Library was one of only twelve libraries nationwide to be featured in *American Libraries'* annual Library Design Showcase of new and renovated libraries. The article can be found here: <https://americanlibrariesmagazine.org/2024/09/03/2024-library-design-showcase/>

Thank you, Friends!

Thank you, Friends, for being fantastic supporters of the summer library program. In the new Library, we had an increase of 31% in participation! We gave out over 500 books to children and teens. Our large family events had over 1300 people attend! It would not be possible without your support!
