

How the Children's Program Works:

Registration

1. Register online on Oregon Library's Beanstack by scanning the QR code or at oregonpubliclibrary.beanstack.org/reader365
2. The Children's Program is for children going into grades K-5th.
3. This sheet is to help with tracking.
4. Reading includes reading on your own, being read to, and listening to audiobooks (Playaways, Libby, Readalongs, etc.).
5. You choose what you want to read and how! Read/Listen to fiction, non-fiction, graphic novels, comics, and more!
6. You can swap out reading for activities listed on this log.
7. Each circle on this log equals 15 minutes of reading or one activity completed.
8. After you read or do an activity, mark off a circle.
