How the Teen program works:

1. Keep track of how many minutes you read. Reading books, graphic novels, comic books, non-fiction, magazines, and audiobooks all count!
2. When you read for **30 minutes**, fill in 1 circle on the paint palette on the back of this sheet.
3. You can choose to do an activity instead of reading. The activities are listed at the bottom of this sheet. You can do them in any order. When you complete an activity, you can fill in 1 circle.
4. Come to the Oregon Public Library to collect your prizes. Prizes are earned once you fill in the three circles that come before the prize (every 90 mins).

Optional activities:

- Attend a library program for teens.

See the full schedule at oregonpubliclibrary.org.

- Check out a kit from the Eureka collection and try it out. This includes cake pans!
- Craft time! Explore the craft website, Creativebug, which is available only with your Oregon Public Library card. Choose any type of craft from the website and make it!
- Get moving! Go for a walk, ride your bike, or have a dance party for at least 20 minutes.
- Go bird watching and identify at least 1 bird.
- Create sidewalk chalk art.
- Set up a backyard obstacle course.
- Grab a piece of paper and try Origami.
- Write a book review.
