

# Sew What?!

## Beverage Cozy – August 3, 2017

### Instructions

Supplies: 2 of 11x5” fabric (outer & lining)

1 of 11x5” insulbright

2 of 11x5” fusible fleece (Pellon 987F)

4 1/2 “ sew on Velcro (1/2 or 3/4”)

Denim sewing machine needle

Thread & bobbin to match both outer fabric & lining

1. Trim fleece & insulbright to 10 3/4 x 4 3/4”. Fuse fleece to outer & lining fabrics so fleece is centered.
2. Layer so right sides of outer & lining fabrics touching each other, and insulbright is on top & centered.
3. Sew with 1/4” seam allowance, leaving a 3” opening that’s centered on one of the 5” sides.
4. Slip corners to reduce bulk. Trim all BUT the opening to 1/8”.
5. For opening- press both sides of fabric under 1/4”.
6. Turn right side out.
7. Pin open edge closed.
8. Sew close to the edge around the entire piece.
9. Pin Velcro on, centering on one edge of outside fabric & the opposite edge of the lining.
10. Sew on Velcro, and it’s done!
